ONE STOP SOLUTION OF PNEUMATIC PRODUCTS AND AUTOMATION

# AIR CONTROL INDUSTRIES

ONE STOP SOLUTION OF PNEUMATIC PRODUCTS

FESTO

JANATICS

## About Company

Air control industries is established in 2016, **leading supplier of pneumatic products, industrial valves, Automation Products, hydraulic hoses,** in Ahmedabad, Gujarat. We are committed to delivering quality, reliability, and value to our customers across multiple industries.

We are Market Leaders and provide complete solutions of all Pneumatic and valve control problems and automation technology to the customers in Gujarat region. The offered products are widely used for various purposes in various Automation Industries.

We have a strong application based engineering team for optimization of solution to our valuable clients. In order to store these products in safe and organized manner, we have setup a highly developed warehousing unit at Ahmedabad.

## Why Choose Us

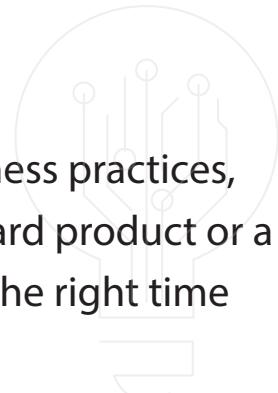

- **Multiple Brand Partnerships** – We collaborate with leading brands and source directly from manufacturers, ensuring our customers receive authentic, high-quality products with competitive pricing and reliable supply.
- **Massive Inventory – ₹5–6 crore** worth of stock covering **2,000+ products** for immediate availability.
- **Strong Customer Base** – Serving **3,200 regular customers** across Gujarat with trust and consistency.
- **Technical Support & After-Sales Service** – Trained team providing expert guidance and quick issue resolution.
- **Efficient Operations** – Standard Operating Procedures (SOPs) for smooth order processing, dispatch, and service.
- **Fast Delivery Network** – Dedicated back-office and delivery partners for prompt and safe deliveries.

## Our Vision

To be the one-stop solution provider in pneumatic products and systems, building relationships that maximize business with each customer through trust, service, and long-term collaboration. We believe **“Customer Benefit is Our Benefit” & “One Customer – Maximum Business”** as the guiding principles of our growth.

## Our Commitment

We believe in building long-term relationships through honest business practices, prompt support, and technical expertise. Whether you need a standard product or a customized solution, our team ensures you get the right product at the right time with unmatched service.

# Also available lower price pneumatic products

We provide a wide range of pneumatic solutions designed to deliver reliable performance at an affordable cost. Our products are carefully manufactured to meet industry standards, ensuring durability, efficiency, and long-lasting use. Whether you need pneumatic cylinders, valves, fittings, or accessories, we offer solutions that suit every requirement without compromising quality. With us, you get the perfect balance of cost-effectiveness and performance, making our products a smart choice for businesses and industries. Choose our pneumatic products for value, reliability, and trusted quality at the best price.

# BRASS FITTINGS

## 1. Brass Fittings

- Male Connectors (Straight, Elbow, Tee)
- Female Connectors (Straight, Elbow, Tee)
- Male-Female Adaptors
- Union Fittings (Straight, Elbow, Cross, Tee)
- Reducer & Expander Fittings
- Bulkhead Connectors
- Swivel Fittings

## 2. Brass Valves

- Mini Ball Valves (Male/Female)
- Needle Valves
- Check Valves
- Non-return Valves
- Drain Valves (Automatic & Manual)

## 3. Brass Hose Fittings

- Hose Nipples
- Hose Tails
- Ferrules
- Hose Barbs
- Hose Joiners

# MERCURY

Leadership through innovation

The product range consists of Pneumatic Cylinders, Hydro-Pneumatic Presses, Hydro-Pneumatic Pump and special products of OEM applications.

Our special 'T' rings design Spool Valves, introduced in 1980, have stood the test of time and are competing successfully against products of several multinationals firms now operating in India

## Uflow® Automation

Uflow Automation offers a wide range of innovative flow control solutions designed for efficiency and reliability. Their product portfolio includes solenoid valves, pneumatic valves, pulse jet valves, angle seat valves, ball valves, butterfly valves, and diaphragm valves, catering to diverse industries such as pharmaceuticals, chemicals, food processing, and water treatment. With precision engineering and robust quality, Uflow ensures long-lasting performance, seamless automation, and cost-effective solutions for modern industrial applications worldwide.

# HYDRAULICS PIPE & FITTINGS PRODUCT

## HYDRAULIC HOSE PIPE

High Pressure Hydraulics, Steam Hose For Industrial Application, Stainless Steel Corrugated Hose Pipe, PTFE Teflon Hose, G.I. Braided Low Pressure Hose, All Type Of Hydraulic Fittings & Special Application Fittings & Hoses

MAKE: PARKER/POLYHOSE/AEROFLEX

## ALL TYPE OF HYDRAULIC FITTING

All Type Of BSP Fittings From M.S., S.S., & G.S. Material Like Adaptor Reducer, Hex Plug, Hex Couplings, Male Or Female Tee, Male Or Female Elbow, Welding Adaptor, Male Female Swivel Elbow Up To 700kg/Cm<sup>2</sup> From 1/4" To 2" Size

## STAINLESS STEEL CORRUGATED FLEXIBLE HOSES

A Full Range Of Metallic Flexible Hoses & Hos Assemblies Are Manufactured In Austenitic Steel Are AISI 304, 321, 316 L Conforming To International Quality Standards Stainless Steel Corrugated Flexible Hose Are Made From 6mm (1/4") To 300mm (12") In Side Diameter. The Annular Corrugated Hose Body Provides The Flexibility And Pressure Tight Core Of The Assembly Braiding In High Tensile Stainless Steel AISI 304 Wire

- STAINLESS STEEL WIRE BRAIDED RUBBER STEAM HOSE
- PTFE TEFLON HOSE
- INDUSTRIAL HOSES (Different Types of Industrial Hose)
- LOW PRESSURE HOSE (LP)
- HYDRAULIC HIGH PRESSURE HOSES
